Introduction	3
Amendment to RFP	4

Introduction

The Bank had issued RFP Ref No:- HO/DIT/Prepaid Card/2010-11/06 dated 23/08/2010 for Prepaid Card Management on Revenue sharing model.

As an outcome of the clarifications sought by the vendors by e-mails, an addendum dated 08.09.2010 to the said RFP document is issued herewith. The Addendum covers amendments made to the said RFP.

Amendment to RFP

1. The table “Commercials for providing Prepaid card Management Solution Services” in Format for Commercial Bid under Commercial Bill of Material (Annexure-III) of our above said RFP which reads as:-

		Vendors share i.e. Percentage
1	Revenue Sharing Model-All inclusive Revenue Sharing percentage from the Revenue earned which shall be shared with the vendor.	Mention only vendors share in percentage and no other method of quote will be accepted.
2	Interface Cost (if any)	
3	Other Cost if any (The vendor has to specify)	

is amended as

		Vendors share i.e. Percentage
1	Revenue Sharing Model-All inclusive Revenue Sharing percentage from the Revenue earned which shall be shared with the vendor.	Mention only vendors share in percentage and no other method of quote will be accepted.

2. The point no. 2 below the table “Commercials for providing Prepaid card Management Solution Services” under Commercial Bill of Material in Annexure-III of our above said RFP which reads as “The rates quoted above should be exclusive all taxes.” is amended as

“The rates quoted above should be inclusive of all taxes except service tax.”

3. The following point is added as point no. 5 below the table “Commercials for providing Prepaid card Management Solution Services” under Commercial Bill of Material in Annexure-III of our above said RFP.

“The interface cost or any other cost have to be borne by the vendor.”
